SERMON NOTES:

Series: HABITS

1/24/2021

Message: Stopping Habits

Text: Proverbs 4:14-15; 13:20

DIGGING DEEPER GUIDE

BIG IDEA: STOPPING A HABIT...MAKE IT DIFFICULT TO DO

Getting Started

What new habit is God leading you to focus on?
What's working well? What's been difficult?

Reflection/Discussion Questions

1. When was a time you wish you had been 'quick to listen' and 'slow to speak'? How short or long is your 'anger fuse'?
2. Think about the last time you broke a habit. What worked? What didn't work?
3. Read Proverbs 4:14-15 below. How would you apply this to your life today?
4. Based on who you want to become, what habit do you need to break? Where could you end up down the road if you don't?
5. What are some triggers you can interrupt? What's something healthy you can do instead?
6. Read Proverbs 13:20 below. Who are the wise people you could ask for accountability?
7. What are the prayer requests on your mind today?

Prayer: Lord God, by your grace, you have made it possible to take small steps in your power. Please guide us as we overcome bad habits with your strength and become more like Jesus. Thank you for all that you do for us. Amen.

Going Deeper: Read the first chapter of James: vs.1-27. What does James remind us about temptation, about trials, about perseverance, about putting our faith into action? How can this be both a challenge and an encouragement to you?

FOCUS SCRIPTURES:

"My dear brothers, take note of this: Everyone should be quick to listen, slow to speak, and slow to become angry, for man's anger does not bring about the righteous life that God desires. Therefore, get rid of all moral filth and the evil that is so prevalent and humbly accept the word planted in you, which can save you." James 1:19-21

"Do not set foot on the path of the wicked or walk in the way of evildoers. Avoid it, do not travel on it; turn from it and go on your way." Proverbs 4:14-15

"Walk with the wise and become wise, for a companion of fools suffers harm." Proverbs 13:20
